

Fast, Accurate Lipid and Glucose Results for Health Screeners

Recognizing the strong connection between heart attack, stroke, and diabetes, the CardioChek® Plus analyzer provides rapid on-site blood chemistry values and measurements to help identify at-risk individuals. It's one of the fastest, most cost-efficient, and user-friendly analyzers. The CardioChek Plus system accurately tests lipid profile and glucose simultaneously with one fingerstick. In as little as 90 seconds, it provides on-site results using the same technology as clinical laboratories.

Measures:

- Total Cholesterol
- HDL Cholesterol
- Triglycerides
- Glucose

Calculates:

- LDL Cholesterol
- TC/HDL Ratio
- LDL/HDL Ratio
- Non-HDL Cholesterol

Simultaneous testing
of lipid profile and glucose

Fast

On-site lipid and glucose results
in as little as 90 seconds

Economic

Compact and lightweight,
easy to transport and store

Portable

Handheld, battery-operated

Patient-Friendly

Fingerstick with small sample

Wireless Communication

Easy data transfer

Certified Accuracy

CLIA-waived

Meets NCEP guidelines for accuracy and precision

FCC and ISO certified wireless communications

Improve Health Screening Efficiency with CardioChek Analyzers

The CardioChek family of products provides quality and time savings for health screeners. From its portability to its speed and accuracy, CardioChek Plus analyzer offer advantages specifically designed to positively impact health screening organizations and, more importantly, participants.

Speed

Continuous participant flow

- Lipid panel and glucose results from a single fingerstick
- Results in as little as 90 seconds
- Quicker throughput
- Less employee down-time

User-Friendly

Room temperature reagents require no refrigeration

- Extended shelf life
- Reduced waste

Flexibility

Adaptable to virtually any screening environment

- Portable, battery-operated (no AC electricity required)
- Wireless connectivity capabilities to EMR and data management systems
- Results printed on site

Training 24/7

Comprehensive education programs

- Live webinar trainings (2/week)
- Online training videos
- Training aides to enhance your events
- Documentation for training compliance

Support

A team approach to all customer needs

- Customer Service (877) 870-5610
- Technical Service Specialist
- Sales Representative
